**Subject:** Position Limits In Silver Comex

---

Dear Sir;

Thank for this opportunity to comment on the issue of position limits for precious metals. I truly appreciated your past Hearing on the matter. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market. If we do nothing, where is the difference in what the Hunt Bothers did and Today??

Sincerely,

David Weishaar
