To Whom it May Concern:

I appreciate the opportunity for public comment on the subject of position limits for precious metals. Please institute a speculative position limit in COMEX silver of no more than 1500 contracts and moderate any hedging exemptions from those limits to legitimate hedgers. A stop must be made with the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Thank you for your time.

Sincerely,

Rebecca Eames
