Subject: Precious Metals Position Limits

Dear Mr. Gensler & other CFTC Board members;

Thank for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers.

In the interest of doing what is right I urge you to please stop this fraudulent activity by stopping the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Rudy Klaus
