**Subject:** recommended action by cftc on position limits for COMEX silver

---

Dear Sir,

Thank you for the opportunity to comment on the issue of position limits for precious metals. The following are my respectful requests. a) Please stop the levels of concentration in COMEX futures that have been experienced over the past few years on the short side of the market. b) Please restrict any hedging exemptions from speculative position limits in COMEX silver to legitimate hedgers. c) Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.

With many thanks,  
Sincerely,  
Dr Antoni Vincent Milewski
