---

Dear Mr. Stawick,

Regarding **RIN 3038-AC61** the change to "enforcing" a 10 to 1 margin will simply wipe out nearly all the retail forex traders ... myself included.

There has been enough changes to the forex retail trading and I personally am not looking for anyone to further "protect" me from choices.

My position is "NO!" on any changes to regulate required margin levels.

Thank you.
