Subject: Silver Position Limits

To Whom it May Concern:

Thank you for the opportunity for public comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Taking such action is in the best interest of the American public. Working within the CFTC's power to achieve these changes would be greatly appreciated.

Sincerely,

Nathan Freeborn
