Subject: Precious Metals Position Limits

Dear Sir/Madam;

Thank for the opportunity to comment on the issue of position limits for precious metals.

- Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.
- Please restrict any hedging exemptions from those limits to legitimate hedgers.
- Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Erik Sherman
