Subject: silver market issues

Dear Sir;

Thank for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please **restrict any hedging exemptions from those limits to legitimate hedgers**. Please **stop the levels of concentration** in COMEX silver futures that have been experienced over the past few years **on the short side of the market**. Thank you for looking at the facts and acting with integrity to the end of instilling greater confidence in the precious metals market place, and reclaiming a fair playing field for all who participate therein.

Sincerely, Steve Fuller
