**Subject:** Investigate suspected precious metal price manipulation- NOW

---

Dear Sir;

Can you please tell me why your agency appears to be stonewalling an investigation into precious metal price manipulation revealed by Adrian Douglas and the Gold Antitrust Action Committee ? As a citizen of this country I demand that you proceed post haste in this investigation.

Additionally, proceed with a audit of claimed precious metal holdings by banks and ETF funds. The evidence strongly suggests that precious metal prices have been manipulated by JP Morgan bank.

The American public is watching you.

Sincerely, Roger Monroe
