Subject: silver limits

Dear sir; Thank you for the opportunity to personally comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of a maximum of 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers only. Please stop the levels of concentration in COMEX silver futures that have been experienced of the past few years on the short side of the market. Thank you for the opportunity to express my views.
