Subject: SILVER POSITION LIMITS

Dear Madam/Sir:

Thank you for the opportunity to comment on the issue of position limits for precious metals. After studying this matter I think that position limits are necessary to guarantee a free market, especially in Silver. A position limit in silver of no more than 1500 contracts would stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market that hint of price manipulation. I hope you consider this action.

Sincerely,

Art House
