Subject: COMEX Silver Limits

CFTC,

I take great interest in the precious metals markets, particularly silver. I am taking the opportunity to provide my comments on two particular issues:

- 1 – Please establish a reasonable speculative position limit of 1500 or fewer contracts in COMEX silver
- 2 – Please ensure that hedging exemptions are only granted to legitimate hedgers.

These steps will stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Thomas Frost
