Subject: position limits precious metals

April 7, 2010

Dear Sir

Thank you for the opportunity to comment on position limits of precious metals. Please establish a speculative limit in COMEX silver of no more than 1500 contracts. Please stop the levels of concentration in COMEX silver futures on the short side of the market that we have experienced over the last several years. Please restrict hedging exemptions from the 1500 contract limit to legitimate hedgers.

Sincerely

James W. Moore
