Subject: Metals Hearing on Position Limits...and Manipulation

CFTC,

Your chairman and Enforcement Division staff member Mr. Ramirez and Comm. Hilton at least...are in "THE LOOP" of the above information...

HOW LONG does the public, who is suffering HARM from these manipulations have to suffer until you DO SOMETHING?

Position Limits are only a part of it...

These manipulations are a crime...AGAINST CFTC and THE PUBLIC and enforcement and penalties should be handed out now.

PLEASE be effective regulators and STOP THESE MANIPULATIONS trading on CME COMEX Exchange as they are being done NOW under YOUR watch...and YOU are THE REGULATORS.

A MAD AS HELL U.S. CITIZEN.
