Dear Sir:

Thank you for the opportunity to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX silver of no more than 1,500 contracts. Kindly restrict any hedging exemptions from those limits to legitimate hedgers. I am asking you to put an end to the levels of concentration in COMEX silver futures that have been experienced over the past several years on the short side of the market.

Sincerely,

Thomas L. Hartel
