Dear Sir,

Thanks for the chance to comment on the issue of position limits for precious metals. Please establish a speculative position limit in COMEX Silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits as well to legitimate hedgers. Please stop the levels of concentration in COMEX Silver futures that have been experienced over the past few years on the short side of the market.

...And God's blessings.

May all your dreams come true.

I thank you for all your efforts to  
improve the integrity of our markets.

Sincerely,  
Douglas D. Cypri
