David Stawick:

I'm reading more and more about JP Morgan and the manipulation of shorting silver on the market. It's getting harder to get truthful information these days but, I feel that this situation should be brought to the forefront as soon as possible. It wasn't right when the Hunt Brothers attempted to manipulate the market and it's not right if J P Morgan is doing the same.

I'm sure you have the best interest of the people in mind and will do the right and honest thing. Thank You for your time. I also read/hear you are an honest trustworthy person.

Sincerely,

Mike Oliver
