Dear Sir,

I'd like to comment on the issue of position limits for precious metals.

I'd like to respectfully request for you to establish a speculative position limit in COMEX silver of no more than 1500 contracts.

Also, please restrict any hedging exemptions from those limits as well to legitimate hedgers.

PLEASE stop the level of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Thank you for all your efforts to improve the integrity of our markets.

Sincerely,

Attila T. Hevesy
