

April 16, 2010

Secretary of the Commission
Commodity Futures Trading Commission

Dear Sir;

I am a small silver investor because I believe with our nation's huge debt the value of the dollar vs. silver has to decline.

Please establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please stop the levels of concentration in COMEX silver futures on the short side of the market.

Sincerely,

Andreas Nickol
