

C.F.T.C.  
OFFICE OF THE SECRETARIAT

2010 APR 22 PM 3 32

Dear Sir:

Thank you for allowing public comment on the concentration of short contracts in the precious metals market. I am sure limiting the number of short contracts to a realistic percentage of supply, will protect against future shortages, causing higher prices, and in turn level demand.

Thank you for working to insure open free markets in precious metals and all commodities.

Sincerely,  
Mike Walker
