I would like to comment on the issue of position limits for precious metals.

\*Please establish a speculative position limit in COMEX silver of no more than 1400 contracts.

\*Please restrict any hedging exemptions from those limits to legitimate hedgers.

\*Please restrict any hedging exemptions from those limits to legitimate hedgers.

\*Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Steven Greve
