Dear Sir;

C.F.T.C.  
OFFICE OF THE SECRETARIAT

2010 APR 19 PM 2 09

Thank for the opportunity to comment on the issue of position limits for precious metals.

Please establish a speculative position limit in COMEX silver of no more than 1500 contracts.

Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the

levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Further to the above statement I'd like to express that I am shocked how the metals market has

been managed and to hear about all this possible manipulation recently regarding the interview

I listened to yesterday from Andrew McGuire. This type of criminal activities has to be stopped

and I urge you to do your part in creating guidelines like the one mentioned above to do so.

Sincerely,

David Kosmayer
