Re: Position Limits

Dear Sir;

I am grateful that you are giving the public the opportunity to comment on the issue of position limits for precious metals, and would like to encourage you to establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers.

I hope you will take action to stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Your efforts are appreciated.

Sincerely,

Dena Kline
