Dear Sir;

The purpose of this letter is to have the opportunity to express an opinion on the issue of position limits for precious metals. It is extremely important to establish a speculative position limit in COMEX silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the past few years on the short side of the market.

Sincerely,

Bo Whitley
