**Subject:** Stop the illegal manipulation of silver

*To whom it may concern, For the love of GOD Almighty and for this great country that is disappearing before our eyes, do the right thing, what you were appointed to do!! Stop the illegal manipulation of Silver, between JPMORGAN., COMEX and LONDON. Evil will never prevail. Unless your all Atheist, you will answer to GOD for your wrong doings and sin. How could you in good conscience allow this to happen and worst allow it to continue? Look for the attachment I plan to display everywhere I humanly can. Respectfully yours*
