Secretary,
Commodity Futures Trading Commission

Dear Sir,

In regard to position limits for precious metals, please establish a speculative limit in COMEX in lieu of no more than 1500 contracts. Also, please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the limits of concentration in COMEX in lieu of futures that have occurred over the past few years on the shortside of the market.

Sincerely,
William Lysak, Ph.D.
