Dear Sir,

Please establish a speculative position limit in Comex silver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to legitimate hedgers. Please stop the levels of concentration in Comex silver futures that have been experienced over the past few years on the short side of the market.

I have personally lost money in my silver investments because of the manipulations in the silver market. This is very unfair to me and other investors and we need your protection.

Sincerely,
Donald C Dowdy
