Secretary

Thank you for holding the
the meeting on position limits
of precious metals.

In follow up, I encourage
your action of establishing
speculative position limits in
comex silver of no more than
1500 contracts. Please restrict
any hedging exemptions.

Please stop the levels of
concentration in comex silver
futures that we have seen on
the short side of the market.

awaiting your action -
Thank you. Sincerely,

Ralph Kojzmenec
