Dear CFTC Commission:

Thank you for the opportunity to comment on the issue of position limits for precious metals. I would urge you to establish a speculative position limit in COMEX sliver of no more than 1500 contracts. Please restrict any hedging exemptions from those limits to the legitimate hedgers. Please stop the levels of concentration in COMEX silver futures that have been experienced over the last several years from the short side of this market.

I believe this is vital to the market's integrity and in the best interests of the American public.

Sincerely,

Steve Teskey
