Hello,

I believe that the individual should be given the freedom and right to choose the amount of leverage that is appropriate for your individual desired risk, and that this basic principle of 'choice' is in jeopardy by the proposed CFTC regulations.

Maximum Leverage under Proposed CFTC Changes

USD/CHF, 10:1 leverage (10 percent), Margin requirement: \$10,000

You are proposing a government's will that will have dire outcomes.

Sincerely,
Rhys Woodall
