RIN 3038-AC61

Dear Friends,  
I would like to express my opinion in regards to the proposed "Regulation of Retail Forex" ID#: RIN 3038-AC61.

IT IS WRONG.  
IT IS GARBAGE.  
IT IS NOT REGULATION INSTEAD IT IS COMPLETE GOVERNMENTAL ABUSE.

The U.S. Commodity Futures Trading Commission has never met me, never asked me what my appetite for risk is, never reviewed my financial situation and never cared if I gave my money to a homeless person on the street, bet it all on a roll of the dice in Vegas or burned it in my back yard...

THIS IS ABSURD...  
I DONT LIKE IT...  
IN FACT I HATE IT...

If there is anything I can do to stop this nonsense believe me I will...

Thank you guys for your support and I hope we can stop this from ever happening.
