Dear Sir:

Do you know far better than any of us
outside the loop, it is time, and past time. That
~~for~~ the covering, greedy, self-serving
sons of bitches who have been manipulating
silver for the past twenty five years be
forced to observe the proposed position
limits for silver, i.e., 1500 contracts.

Like William Jennings Bryan, who fought
the good fight for unlimited coinage of
silver, you can fight the good fight
for limited contracts.

Yours truly

John R. Hendrickson
