Dear Chairman Gensler:

I am writing you and fellow  
Commissioners concerning the issue  
of position limits in COMEX silver.

Please institute a 1500 contract  
position limit for silver! That  
amount is still larger than what  
the majority of silver producers  
and consumers make or use in  
a year.

Let's bring integrity into silver.

Again, Please institute a 1500  
contract position limit for silver!

Respectfully submitted,

Edward Hansen
