COMMENT

OFFICE OF THE
SECRETARIAT

Dear Chairman Gensler and fellow
Commissioners:

Please Institute a 1500 contract 7.5 million
ounce position of limit for silver, to stop
the giant short sellers for one, J.P. Morgan
(crooks) that have kept the the price of
silver down for over 20 yrs. Silver is
certainly been manipulated for many years
over this matter and should be stopped
immedialty, no other commodity has been
victimized such as silver. Please chairman
do the right thing

Respectfully
DA
