COMMENT

March 24, 2011

Dear Chairman Sensler & Fellow Commissioners:

- ① Please institute a 1500 contract limit,
7,500,000 oz., for silver.
- ② Change high fines for manipulators
and use the fine revenue to finance
your enforcement efforts.
- ③ Jail criminals in dank, nasty prisons
to discourage other manipulators from
doing harm to American society.

Be our heroes!

Sincerely,

Tim & Meghan Gervais
