Subject: Regulation of Retail Forex (RIN 3038-AC61)

I am a retail forex trader and I'm sending this message to express my discontent with the proposed CFTC leverage change.

I do trade with my own hard earned money and should have the right to choose the amount of leverage that I feel appropriate.

I urge to stop interfering with new regulations that only makes it harder to participate in the forex markets to retail traders.

Sincerely,

Edgar Cano
