Subject: Manipulation of Silver

OFFICE OF THE
SECRETARIAT

Dear Chairman Gensler and fellow Commissioners:

How long does it take for a formal investigation by the Enforcement Division of the CFTC?

Please institute a 1500 contract (7.5 million ounce) position limit for silver.

COMMENT

The continued illegal manipulation of silver prices by JP Morgan and others is a scandal. It undermines confidence in every aspect of government that this is allowed and ignored by those in authority who are in a position to correct the problem. Is it really true that our government supports crooks and illegal trade practices?

A frightened citizen,
