OFFICE OF THE  
SECRETARIAT

David A Stawick, Secretary of the Commission  
Commodity Futures Trading Commission  
Three Lafayette Centre, 1155 21<sup>st</sup>, NW.  
Washington, DC 20581

**COMMENT**

Dear Sir:

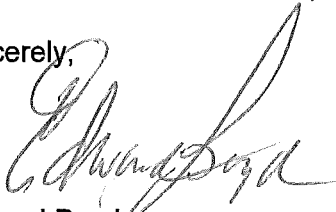

Wouldn't you agree that it's time to abolish the illegal manipulation of naked short selling the silver market?

Please allow the free market to prevail.

Average investors (such as myself) are finally rising up to condemn the insidious behavior of these behemoth bankers.

It's time for a 1500 contract position limit for silver.

Sincerely,

Edward Boyd
