Subject: Regulation of Retail Forex

Dear Sirs ,

I am retired of late and am planing on using my
forex trading I started this month to help with my
income , I fear if this Proposal passes I will be
blocked out of the right to trading as only higher
financed groups will be able to compete . Now my
\$100.00 controls \$10,000.00 in currency pairs.
Under the Proposal it controls \$1000.00 , can
you see my problem with this .

Sincerely

James Evans
