Subject: CFTC's new proposal

Regarding proposed rules calling for restricting leverage to 10-to-1: You would be reducing my earnings by 90%, the only earnings me and my family have. Without my earnings, we are homeless. I am a former computer programmer. I taught myself how to trade the FOREX and since 2005, it has been my trade. If these changes are made, I will no longer be able to support myself or my family. This would be a disastrous move, for me and hundreds of thousands of people and I urge you not to do it.
