Subject: Regulation of Retail Forex

And just to drive the point home, I'm sending the email twice! **RIN 3038-AC61**

What is your problem?! Just because that Know-nothing president is incapable of punishing those who deserve it doesn't mean you need to start punishing us! Stop screwing with this! None of us got bailout money, so stop screwing with what paltry amounts of money we have left! Do your job right next time and keep the ones who caused problems responsible! **STOP MAKING THE U.S. TAXPAYER RESPONSIBLE FOR YOUR INABILITY TO ACT!**
