RE: Positions Limits Rule/MF Global

CFTC,

The following requests will be brief and to the point.

- 1) I request the immediate implementation of the Position Limits Rule.
- 2) I request the immediate prosecution of those responsible for the theft of client monies from M F Global. Also, the prosecution of any entity who is holding or was involved in the transfer of such funds should be prosecuted.

With regards to M F Global, does it really take a Congressional recommendation to the bankruptcy court to recommend no bonuses are distributed to former employees? Really? The CFTC must fix these problems or markets will seek other countries to conduct business with.

God Bless,

Karen Monaldi
