Subject: Regulation of Retail Forex

RIN 3038-AC61

I would like to express my concern about proposed regulations concerning retail Forex trading. I do not support the proposed regulation limitations on the leverage in retail forex customer accounts which would be subject to a 10-to-1 limitation for Forex traders in the U.S.

I believe that I should be given the freedom and right to choose the amount of leverage that is appropriate for my individual desired risk, and that this basic principle of 'choice' is in jeopardy by the proposed CFTC regulations.
