Subject: Regulation of Retail Forex

Identification Number: RIN 3038-AC61

I am a retail forex trader and I strongly disagree the new maximum leverage proposed. As an investor I must be free to decide the amount of money I want to risk. I should have the option of leverage from 10:1 to 100:1. But is me the one who decides it because is my money what is in risk. Thanks for thinking in the retail forex traders but don't take our chance to decide our preferred leverage.
