Subject: Regulation of Retail Forex

Re: **RIN 3038-AC61...**

I do not believe it fair to block small starters like me by putting in his regulation. Every one should have a fair shot at life. I can put together \$1000 from my savings...how will where will I get \$10,000?

1:100 risk is high, but that should be my choice. Why doesn't the government regulate how many lotto tickets one person can buy, or is that the next step?....
