Subject: REGULATION OF RETAIL FOREX

Dear Secretary,

Why, the hell, do you think you need to pile more GOVERNMENT REGULATIONS on us. We have a right as traders to decide our on risk and leverage. Stay the hell out of the business. This is the stupidest most assinine proposal I have ever heard of !!!! NO NO NO NO NO. You want feed back opinion ?????? NO NO NO NO NO. THIS IS STUPID. You will see the death of many brokers as they lose customers who will go over seas to where they can avoid STUPID REGULATIONS like you are proposing. Who give you the right to come up with stupid ideas like this anyway? Do you lay awake at nights thinking of ways to throw wrenches into the spokes of the financial machinery? Are you a trader? I'll bet not !! NO NO NO NO NO!

THERE.... YOU HAVE THE OPINION OF THIS TRADER AND EVERY OTHER TRADER I KNOW !!!

NO MORE STUPID REGULATIONS !!!

Nelson Seely
