Subject: 'Regulation of Retail Forex'

This is regarding RIN 3038-AC61.

In Vietnam we all fought to keep our freedom and rights so in the future we would be guaranteed such. Please cease removing our rights to trade the forex market. If you pass this you will deny hundreds of thousands of Americans the ability to trade because of the financial implications. If this is passed... only the rich will have the opportunity to trade. Give us a break.
