CFTC Secretary,

Re: Release 5772-10

I am against changing the Forex leverage from 100:1 to 10:1 for all NFA and CFTC regulated firms. This change will eliminate the small investor. As a small investor I have spent thousands of dollars and countless hours in the study and execution of trades in the Forex market. Your proposal will have a profound negative effect on small investors as my self.

Please eliminate this change in your proposal.

Thank you,

Bob Nagel
