Subject: Regulation of Retail Forex

I'm writing this email regarding the proposed changes regarding Retail Forex trades.

I am a Forex Trader and have a stake in that matter. While I agree with most of the changes proposes, I **STRONGLY DISAGREE reducing the trading leverage to the proposed level of 10:1.**

These changes would significantly impact my ability to trade and the trade outcomes will be diminished.

Please do not limit the current leverage level to less than 100:1

With best regards,
