RIN3038-AC61. If your intention is to eliminate or substantially reduce currency trading by individuals then your proposal will probably succeed. As a "little" trader who enjoys making a few hundred dollars I most certainly object to your eliminating me from the market. A \$300 gain on a \$1000 investment is good for my pocketbook but a \$300 gain on a \$10000 investment is not worth the effort. Please reconsider
